YOUR TEAM ROSTERS

We are **NO** longer requiring a copied page from your gamebook.

HOWEVER, your ONLINE ROSTER will be your official tournament roster **and must be fully completed by Sept 5th**. It will be LOCKED on Sept 8th and no more players can be added to your roster. In this way, each coach is accountable for his/her roster and can be questioned at the tournament. Your official roster will be published as a PDF and available online for all to see. There ARE exceptions for adding players to a roster, please read below.

WHEN IS IT OK TO ADD PLAYERS TO MY ROSTER? If you are registering a Varsity or JV team but leaving the younger teams at home, you may add those younger MS players to your Varsity or JV team during the tournament. The coach must be able to present the appropriate MS scorebook as a means of accountability showing the player(s) on that active roster from a game in this current season - should anyone ask.

IS MY PLAYER ALLOWED TO PLAY ON MULTIPLE TEAMS? Yes, however HSPN discourages this as chances are both teams will end up playing at the same time (usually during bracket play). If you do have to do this, we STRONGLY encourage to use the "bench players" rule: do not have MS girls that are starters or significant players that then play for your JV or Varsity team as also starters or significant players. **Thank you.**

AS ALWAYS THERE ARE EXTENUATING CIRCUMSTANCES AND EXCEPTIONS, so please contact Chris at coach4life@yahoo.com. = BEFORE SEPTEMBER 1st =
