TEAM ROSTERS

Your ONLINE ROSTER will be your official tournament roster **and must be fully completed by Dec 31st** It will be LOCKED on Dec 31st and no more players can be added to your roster. In this way, each coach is accountable for his/her roster and can be questioned at the tournament. Your official roster will be published as a PDF and available online for all to see. There ARE exceptions for adding players to a roster, please read below.

WHEN IS IT OK TO ADD PLAYERS TO MY ROSTER? If you are registering a Varsity or JV team but leaving the younger teams at home, you may add those younger players to your Varsity or JV team during the tournament. The coach must be able to present the appropriate scorebook for the younger team(s) as a means of accountability showing the player(s) on that active roster from a game in December should anyone ask.

UPDATE: IS MY PLAYER ALLOWED TO PLAY ON MULTIPLE TEAMS? Only **ONE** player per gender from your ENTIRE organization may play up on one other team, provided he/she is not a major contributor on both.

Example: 14-U player (starter) is minimally used for JV - ALLOWED

Example: JV player (starter) is minimally used for Varsity - ALLOWED

JV player (starter) is a starter for Varsity - NO!

JV player (starter or heavy contributor) plays significant minutes for Varsity - NO

14-U player (starter) is a starter for JV - NO!

14-U player (starter or heavy contributor) plays significant minutes for JV - NO

AS ALWAYS THERE ARE EXTENUATING CIRCUMSTANCES AND EXCEPTIONS, so please contact Chris at coach4life@yahoo.com.
